PLEASE NOTE - RESTRICTIONS

- A. Separate premises shall be supplied water through an individual service connection and meter. It is specifically prohibited for an owner or agent of two or more adjoining premises to extend a water line between said premises for the purpose of separate premises.
- B. Separate residential, commercial or industrial occupancies, if situated on the same premises and not under a common roof, shall have separate service connections and meters.
- C. A single service connection and meter is permitted to serve such premises as duplexes, triplexes, apartment houses or motels, provided that such buildings are plumbed as an integral unit, are constructed with a common roof, and have a service connection of a size that will provide adequate service.
- D. No potable water use for dust control and/or site compaction is permitted.
- E. Water may not be used, sold or transported outside the City limits.

THE POINT OF DELIVERY SHALL BE AT THE DISCRETION OF THE CITY OF MORRO BAY WATER DEPARTMENT.

IN ACCORDANCE WITH THE ABOVE RESTRICTIONS, I DO HEREBY APPLY FOR THE INSTALLATION OF WATER SERVICE CONNECTION AT THE ADDRESS SHOWN HEREBY, AND AGREE TO ASSUME RESPONSIBILITY FOR PAYMENT OF WATER BILLS FROM THE DATE OF INSTALLATION.
