To: Morro Bay City Clerk

I would like to request that my name be removed from consideration for the open Planning Commission advisory body seat. It appears that there are several other candidates that have more experience and better qualifications to serve the city's needs for this position.

Thank you,

Ryan Garcia

Dear Mayor Heading and Council Members, Addis, Ford, Barton and Heller,

I have know Malcolm McEwen for several years and have found him to be dedicated to the best interests of our City. He is sensitive to the needs of our environment and with his educational background I feel sure he will make good, well thought out decisions as a member of this very important planning advisory board. When making your decision on this appointment I hope you will favor Malcolm.

*Thank you for all you do for our City,
Sincerely, Lynda Merrill
