Subject: agenda items cs-3 and cs-4

CAUTION: This is an external email. Please take care when clicking links or opening attachments.

Dear City Council:

I see that 2 of your 4 closed session agenda items deal with 781 Market St.

For a while now, the public has asked City Council to inform us on what the City is proposing before making a deal with a developer on this property. That disclosure has not happened.

Will you be transparent with the residents before you make commitments regarding land purchased with taxpayer money?

Sincerely,
Betty Winholtz
