Dear Planning Commission,

Please act hastily to correct the Coastal Act violation, file number V-3-19-0130, and restore the stairway leading from the Veterans' building to the Embarcadero.

Historically, in addition to pedestrian traffic, this stairway has provided necessary convenience between activities at the Veteran's building and on the Embarcadero. An event that comes to mind is a wedding out on the bay on the Tiger's Folly, followed by a walk up to the Veterans' building for a reception.

Restoring it pronto is all about building community. Plus, we are in an era of encouraging less driving.

Thank you so much.
