Subject: Building Height limits Planning Commission Meeting 3/18/2025

CAUTION: This is an external email. Please take care when clicking links or opening attachments.

Dear Commissioners,

I have been a resident of Morro Bay and homeowner since 1995 and homeowner.

You are meeting to discuss the results of the Downtown Design District.. PLEASE... Maintain the small town character and visual views of the ocean by keeping the height to 30' on any structure proposed for building.

Also, potential rezoning of the Morro Elementary to low density or Public Facilities in anticipation of the City acquiring the property.

Thank you,

Carole Truesdale
