Celebrity MC: Morro Bay and 97.3 The Rock's own "Dead Air Dave"

Post-concert: Bring your questions for the band at a Q&A led by 97.3 The Rock's Abe Perlstein. The 90-minute program is a "test" to see how a cultural concert overlooking beautiful Morro Rock would engage the community. The vision is to present a series of concert offerings that typically cannot be found at surrounding music venues including jazz, world music, dance, etc. and gather the community together to experience a diverse array of music at no charge in the neighborhood-oriented outdoor setting Cloisters Park provides. So, grab your beach chairs blankets and enjoy some truly awesome music!
